SUBJECT: FOSTER PARENT TRAINING AND RECRUITMENT ALLOCATION

FOR FISCAL YEAR (FY) 2000/2001

This County Fiscal Letter is to advise the counties that a total of \$3,332,000 has been approved for the continuation of the Foster Care Initiative with the passage of the Budget Act of 2000. This initiative was implemented pursuant to Assembly Bill 2129 (Chapter 1089, Statutes of 1993) and Senate Bill 426 (Chapter 892, Statutes of 1993).

For Fiscal Year (FY) 2000/01, \$1,624,000 in the State General Fund (SGF) is budgeted for Foster Parent Training and Recruitment. As in prior years, \$62,500 in SGF has been set aside from the allocation to fund statewide recruitment and training activities and \$20,568 in SGF has been set aside for the California State Foster Parent Conference Contract. The attached provides you with the allocation distribution of the remaining SGF.

Training funds were allocated based on the average monthly number of children placed in out-of-home care, excluding group homes, foster family agencies, and probation. Recruitment funds were allocated based on the average monthly number of children in out-of-home placements, excluding probation. These average monthly figures were based on data from Child Welfare Services Case Management System as reported by counties for the period of October 1999 through May 2000. The funds were adjusted to ensure a \$2,000 SGF minimum allocation per county. Additionally, no county received less than they spent in FY 1998/99. There is no county match required for either training or recruitment activities and both are eligible for matching federal Title IV-E funds.

Fiscal Claiming Instructions

In order to claim program funds, all counties must submit a Foster Parent Training and Recruitment Plan for FY 2000/01. The deadline for submission of a county plan is **September 11, 2000**. County plans must be developed in collaboration with their Foster Parent Training and Recruitment Advisory Committees that are comprised of foster parents, community college and county staff. These funds shall only be used to enhance or expand existing programs, or for the development of new programs, and cannot be used to supplant existing programs. The Foster Parent Training and Recruitment Plans must be submitted to:

California Department of Social Services
Foster Care Services Bureau
Foster Care Recruitment and Training Unit
Attn: Vebra Switzer
744 P Street, Mail Station 19-70
Sacramento, California 95814

The costs for Foster Parent Training and Recruitment are funded with state and federal funds where costs are Title IV-E eligible. The State share of cost for these expenditures is charged against the county's allocation. Costs reported on the County Expense Claim are charged to the allocation as follows:
